#### WHERE IT All HAPPENS

Working toward beautifying the school became a major aim of administrators, teachers, and students alike.

Lowered ceilings, newly painted halls greeted returning TADS. Desks and chairs clogging the halls presented traffic problems between classes.

Rooms and hallways were painted in light airy colors such as yellow, light green, and creamy beige. Students were forced to make detours as painters monopolized stairways and classrooms.

Other changes awaited the students; a woman band director, vending machines in the cafeteria, and the smallest number of teachers in many years.

Losing 3 teachers before school created overcrowded classes.

New band director, Sue Gibson, drills the band.

Julie Gorr tries out a new vending machine.

The gas and money shortages meant fewer cars in the student parking lot. Bottom Right: Painters overtake the balcony in the auditorium.

Frustrated students find the cluttered halls a big hassle in getting to classes on time.

# ENTHUSIASM PUSHES US TO GOALS

The fresh bright look of the school spurred new enthusiasm in the students, giving them the initiative to attain new goals.

Organizations, activities, and clubs sprang to life due to eager students wanting to be a part of it all.

The renewed school spirit boosted dissatisfied TADS to expand their interests into new areas. They found themselves doing things they'd never done before — and liking it.

This new burst of enthusiasm and awareness brought not only new goals, but new friendships and a feeling of togetherness among all.

# School, Community Assist One Another

Community affairs became a prime interest of TADS. Participation by supporting local candidates and issues gave students political goals to work for

#### **Parliamentary Procedures Relaxed**

One of Student Government's goals was to modify the formalities or parliamentary procedures. "The meetings can be run in an orderly manner without parliamentary procedures," said Kathy Shafer, Junior Representative.

Ray Byers, vice-president, and Cheryle Minor, president, represented DeVilbiss at various meetings in the Toledo area.

The magazine sale in October totalled \$5,093.16. Sellers were allowed to select from a wide assortment of prizes. The Chinese I and II homeroom sold the most subscriptions and earned a free breakfast at Uncle John's Pancake House. High salesman was Steve Schaap.

Student Executive Day was another activity sponsored by the Student Government in which TADS were chosen to host visitors or go to other high schools in the area.

The Student Exchange Board, the ruling body of Student Government, met monthly to make final decisions on various issues.

#### **Tigers Romp Over Stritch**

Enthusiasm began homecoming morning when all floats were judged at the Ottawa Park Shelter House. C.O.E.'s float was chosen as the best, with the Junior Class and I.O.E. floats following in second and third place respectively. Decorated cars, trucks, and floats paraded down North Cove to Upton and then to the stadium.

DeVilbiss dominated the game, ending in a 47-20 victory over Cardinal Stritch, with help from Terry Crosby who scored three touchdowns.

At half-time Karen Knabbs was announced Homecoming Queen with Denise Brigman as first runner-up. History was made as Karen was DeVilbiss' first black homecoming queen. Following the crowning, the band played, "I Don't Know How to Love Him" from "Jesus Christ Superstar."

"Rainbows All Around Us" was the theme of the dance which was held at the Crown Room at Imperial Lanes. It was less crowded than last year with only 82 couples enjoying jazz music by The Candy Johnson Combo. Iva Brassfield and Cheryle Minor, members of the choir, sang two songs as a special feature.

### New Staff Sparks New Ideas

Getting High! Randa Mansour and Rick Thielen, ads-manager, watc. Melly pay murk the therm mater after reaching the \$1.000 point.

Nineteen juniors and only nine seniors brought inexperience but many new ideas

to the staff.

Josten's American Yearbook Co., the new printer, brought earlier and more frequent deadlines but made pasting class pictures and blueprints unnecessary and also made possible more color.

Kathy Sheline, Terry Netterfield, and Mrs. L. Berger visited the plant at Clarksville, Tenn. in the summer. The whole staff toured the Toledo Blade

to learn about the printing process.

When school began, every staff member had received at a summer meeting a detailed job analysis.

Starting out the year by flying to New York seemed a good idea to 16 staff members. Three days' sight-seeing and two days of classes at Columbia University made the trip lun and enlightening. Finding out the 174 yearbook won the medalist rating for the 4th consecutive year was only one exciting moment of the trip.

#### **PRISM Aquires 'New Look'**

Having a professional printer set the type, rather than that set by the students, as was done last year, improved the appearance of the paper greatly. Even though this was more expensive, it gave more space for articles and made less work for the students.

Financially the Prism had many problems. Along with the rising costs of materials, only thirty percent of the student body, on the average, bought the newspaper. Junior Bill Wagner states, "I never buy a paper because someone I know will always have one."

In October, seven members of the staff visited Bowling Green State University for a day. They learned different ways of interviewing and researching. Last year all editors took Journalism I to learn how to write, think, and organize their work.

Mark Glasper explained that controversial headlines, in-depth feature stories, more sports coverage were all new ideas that improved the quality of the paper.

Changes in the performing arts brought a straight non-musical play in place of the traditional DeViltries and a Musical in late May. Freshmen and Sophomores attended a matinee performance of "The Diary of Anne Frank" on the day before opening night. They were attentive during the show and made many comments of approval.

In a cast of ten, freshman Ginny Croskery played Anne, who with her family and another jewish family hid from the Nazis in the floor above a warehouse.

Because of the energy shortage, the auditorium was not heated for the evening performances. Undaunted, the production committee provided football parkas and free hot coffee to warm up the audience. "This helped set the mood for the play," stated Miriam Leeper (Mrs. Van Daan).

#### **Commitees Support Production**

Most committees consisted of only two or three people, simply because "The Diary of Anne Frank" was a very small production. There were only ten cast members and one setting was used for the entire play.

Mr. T. Bollin, director, was very proud of the committees. "It was a difficult show, sound and prop-wise, but they did a great job. I've never worked with such a hard-working, dedicated group."

#### Quiz Bowl-ers Practice Daily

Twelve interested TADS tried out to represent Devilbiss on the Quiz Bowl team. After competition among the twelve, Mike Gold, Russell Fenwick, Paul Kissling and Monte Leeper made the team. Alan Penomon was named the alternate.

In their first match, against Woodward they rolled over the polar bears, 250-110. This qualified them for a match against Bedford in February. In a great team effort from all four members, they handily upset Bedford by the score of 380-240.

#### TADS Try To Revitalize PTA

**Handing out** materials is one of the duties for Spirit Committee members. Laurie Snow and Nancy Sperling pile on the spray paint for Mat Maid Karen Shull.

A group of concerned students formed a committee to get the PTA back into DeVilbiss. They met with Mr. K. Morris and resolved to put out a letter to all parents and teachers. Chairman Montel Leeper explained, "If we had a PTA our parents could financially support more school functions."

In past years, the spirit committee was a group of students that made signs after school to raise interest in school sports. Due to lack of interest, clubs and cheerleaders took over the duty. Therefore, Laurie Snow was responsible for handing out materials and stamping signs.

Student Government formed a committee to rewrite the Parliamentary Procedures. Jeanne Harris, chairman, Kathy Sheline, Kathy Shafer, Doug Eble, Cheryle Minor, Mark Keesey, Nan Clarey, Ray Byers and Carol Green met to revise and relax procedures.

Homecoming, Varsity Drag, Junior and Senior Prom all were possible by committees. Decoration and Publicity sign-up lists were posted for all interested TADS.

DeVilbiss Week provided recognition and excitement for many students. Monday, the club awards were given. Best Social Service Club was Pay-a-el-sa, Best Special Interest Club, DECA, and Best Literary Society, Peries. Tuesday sophomore and junior awards were presented. Members of the faculty enjoyed the breakfast held Wednesday during 1st hour in the cafeteria. Special plaques were given to teachers who have been at DeVilbiss for 15 years or longer. Also on Wednesday, members of the Pot O' Gold and Prism staffs were inducted into the Quill and Scroll Chester Sullwold from the Toledo Blade was the speaker. Later that day the Quiz Bowl match between five faculty members and the Quiz Bowl team was held in the Auditorium during 8th hour for all students still in school at that time. Controversy arose as to who the winner was. The match was supposed to end at 2:20 when the bell rang, and at that time the faculty were winning. But for some unknown reason the bell didn't ring and minutes later when it finally did, the students were ahead. So the final winner was never positively decided on. Seniors received their awards on Thursday. More were presented than ever before.

Special award winner, Mr. Norman Kies holds his plaque for 33 years of service at DeVilbiss.

#### Drive, Work Make Winners

For outstanding performances TADS received honors in specific activities such as art, car driving and academics.

Bernadine Buchanan, a member of the Distributive Education Clubs of America, went to Michigan and won first place in interstate competition. She had to write a paper in an alloted amount of time on "Management in Decision Making."

Sandy Kazmierczak and Debbie Jaffee placed thirteenth nationally in a car rally. They had to beat thirty-one teams from Ohio to make it to the finals in Michigan. In a car rally, a team of two follows directions trying to reach check points on different roads. Each girl received a twenty-five dollar bond for winning the Ohio competition.

Karen Born won fourth place in the Twentyfifth Annual Downtown Art Exhibition. The painting won her a prize of \$10.00. Karen said she was more proud of her first place finish last year.

#### **42 Seniors Honored**

Academic excellence receive more recognition this year because any teacher could give an award to any senior for outstanding performance in his field.

In total, 106 carnations were presented to TADS along with certifications of merit. Some received them for two different reasons.

Jeanne Harris, Awards Commissioner, took the responsibility of counting the activity points for the most outstanding student awards. Points were totalled by the number of activities and their importance to DeVilbiss High.

Eleven of the twelve varsity and junior varsity cheerleaders attended a National Cheerleaders Association (N.C.A.) camp in Ashland, Ohio in July. For four days they learned different formations and cheers.

Val Tobian, the only junior on the varsity squad spent about \$150 yearly on camp, uniforms, out of town trips, and most of all, the dinners, breakfasts and goody bags for the players.

Their only source of income other than the \$75 given by the Athletic Department was the knit hat and scarf sale. In November, Kathy Sheline, captain, and Miss Janet Kazmierski, advisor, planned the campaign for the Shoe Bowl and basketball season. Profits from the sale totaled \$56.53.

### Girls Boost Players' Morale

**Tigerettes:** Sharon Langenderfer, Cheryl Saba, Cindy Kurtz, Jane Alexander, and Debbie Ligibel catch the giggles while posing for their picture.

Tigerettes kept busy all year. They cheered for football, wrestling, and baseball. They were chosen for their gymnastic abilities and performed routines at football games. They made goodie bags and other treats for the football players and took gatorade to the wrestlers at matches.

Mat Maids also supported wrestling. They were picked through interviews by Mr. C. Ellis, Mr. M. Vieth, and two representatives of the wrestling team. They helped their team by making signs each week, selling tickets, giving oranges to the wrestlers, and keeping score at matches. They made their own uniforms and bought the oranges for every match. To cover expenses they had bakesales, for which the mothers of the wrestlers helped bake.

Pom Pom girls danced during halftime at all home basketball games. They danced to records and had a new song and dance for each home game. Learning so many different dances called for hours of practice after school. They wore orange sweaters, orange and white hot pants and carried orange and white pom poms. A committee of judges selected the Pom Pom girls on a point basis. Mrs. N. Outram and Mrs. E. Hendricks acted as advisors.

## **NHS Inducts No Seniors**

For the first time National Honor Society did not have senior inductions. Members were accepted in the spring of their junior year only.

The requirements were still the same — a student must have a 3 point accumulative average for his first three years of high school. N.H.S. members held a tutoring service for students having trouble in English, Algebra, Chemistry and History.

Junior and Senior students excelling in the journalism publications and serving for two years on the staffs of Pot O'Gold or Prism while also having a 3 point accumulative average were accepted into Quill and Scroll International Honorary Society for High School Journalists.

# Woman Director Whips Band Into Condition

"What a pushover she'll be," thought band members after learning their new director was the first woman in her position. However, they ate their words as they struggled to meet her standards. Working efficiently with total band cooperation was one of the goals for Miss Sue Gibson.

Parents played an important role this year meeting once a month with the band. As band boosters, they added greatly to the band's success. Members invited the parents to a hot dog roast. At their November concert to which the parents were included such numbers as "Simple Joys" from **Pippin** and "Time in a Bottle" by the late Jim Croce.

Running a concession stand during home basketball games helped raise money for the band. Tag day, in which Charles Sprague won first place, was another way money was raised. With the money they hope to remodel the band room next year.

Spirit sparks the band members to a high pitch.

## Choir Gives Professional Performance

Having the honor of singing at the Ohio School Board Convention started the concert choir on the right note. Performing before a 4000-seat house was a first for the choir. The enthusiasm that went into practicing the performance pieces paid off when Ed Foster, president of the Ohio School Board, stated that the choir members were "good ambassadors from Toledo".

Singing on Parents night drew more admirable comments from parents and students alike. The Christmas season brought many performances. Choir caroled at the Edison Plaza. Heat and nerves frazzled a few members, as 2 girls and 2 boys fainted while performing. They also caroled for groups and gave their own Christmas concert, at Monroe St. Methodist Church.

Second semester, however, is when choir practices the most for the important activities that every choir must prepare for — Solo & Ensemble and Choir contests. Many individual members placed high in ratings with their solos and in small choral groups. Choir also sang at the Peristyle Concert, in March, appearing with all the other Toledo Public high school choirs.

## Tension Builds For **BGSU** Contestants

Anxiety and nervous tension became a part of the lives of student musicians preparing for solo and ensemble contest, March 1. The contest is held annually at Bowling Green State University and is open to all high school musicians. Representing DeVilbiss was a sextet playing "Gavotte and Musette" by Bach and several individual soloists including Steve Smith, Laurie Richards, Alan Penamon, Karen Fournier, and Mark Walden.

Although the orchestra was small, ten of its members were also members of the Toledo Youth Orchestra. Auditions were held in the spring and to be eligible the musician must study privately.

A few exceptional student musicians participated in small chamber music ensembles directed by Mr. Kenneth Holland. They performed in area churches and in a chamber music program with other high school musicians at Lourdes College.

Seated: Nancy Dobbins, viola; Laurie Richards, cello. Standing: Dale Haddad, viola; Janet Peterson, piano; Mark Walden, viola.

## New Ceiling Means Outdoor Classes

Ladders and workmen lowering the ceiling chased the boys outside their gym. Who cared? It was fun to play touch football and speed soccer.

No towels to be provided by the Board of Education! That was a new order which had to be met by students bringing their own. New lockers for the boys gave more space and better security.

The girls' gym program was strong on conditioning with exercises before class activities. These were quite varied.

Areas covered in Coed Health classes included first aid, sex education, drugs, and human anatomy. Movies and film strips added interest and understanding.

## Guest Speakers Enhance Program

"Careers in Journalism" was the topic when Dr. John F. Pettibone, assistant professor of journalism at Bowling Green State University, came to speak to Journalism I students. Inquisitive future journalists bombarded Dr. Pettibone with questions.

Advanced Placement English students traveled to the University of Toledo to hear out-of-town speakers such as Leonard Nimoy and Dick Gregory. Although not required, most students attended these functions on the recommendation of Mr. Harold Feltner, A.P. English instructor.

Artists and musicians became educators for juniors taking the correlated English and history program. Twice every other week, students went to the Toledo Museum of Art for the fine arts classes.

Due to the loss of two teachers, classes were overloaded with students. With such large classes, teachers had difficulty giving any individual attention to students in their English classes.

Above: "What a painting!" exclaim A.M. English students John Scott, Sherrie Patterson, and Liz Skalski as they gaze at a modern painting by Raffeal. Below: In English II, Robert Simmons enjoys reading a collection of short stories.

## Foreign Markets Invade Cafeteria

Combining their efforts in a three-day International Festival, foreign language students set up gaily decorated booths in the cafeteria and sold typical foods of their countries. They had also made jewelry, paper flowers and ceramic items for sale. To mention only some foods, toga-clad Latin students offered lasagna. Spanish students, wearing sombreros and serapes, sold tacos. Some German girls behind the sauerkraut and sausages wore dirndl skirts and one boy a Leder hosen. French students had concentrated on cream puffs, crepes, and French fries, which were displayed in a balloon-decorated booth.

In the fall hopes were high that students could make trips to Spain, Italy, and Canada but the gathering recession dashed those hopes. One student, Kathy Gast, will go with a group from Start to Spain. Since German students had gone to Germany last year, they planned and took a ski-trip to Boyne Mountain County in Michigan. Latin students had a spring banquet. French students went roller skating and ice skating.

Spanish classes made money through all sorts of projects. Besides the International Festival, they held a turkey raffle and sold jewelry and candles.

New textbooks for first and second year German finally arrived.

# Experience Gained In Diverse Jobs

Jobs at meatpacking plants, dental offices, and law offices are just a few of the job opportunities offered to COE (Cooperative Office Education) students. The girls go through interviews with employers and, if they are hired, go to school in the morning and work in the afternoon.

In order to train for these jobs, the girls must take IOE (Intensive Office Education) classes during their junior year. In these classes they learn how to take shorthand, type, file, and run business machines. This year, for the first time, IOE students traveled to Bowling Green for a Northwestern Ohio IOE convention. While in BG the girls attended a formal dinner and elected regional officers.

## Vocational Education Attracts

Interest in job training increased. Teachers had to add extra classes. New equipment was received, making instructing and learning an easier and more profitable experience.

Manufacturing students built prefabricated structures, made desk accessories, and prepared puzzles that were sold to teachers and friends during the Christmas season. Wooden toy sets in seven styles for preschoolers were made. A new mailbox was created for the main office, also.

Requests from Mrs. T. Andre's class for a part for a lasar was a change of pace for TADS in machine shop. Another change was extra students from Start High School wanting to participate in vocational education. A new horizontal milling machine made work easier for students.

Making circuit boards took much time in class for students. They had in addition, their own individual projects and also repairing T.V.s, radios and other electrical appliances. Outside of class time, the electronics students hooked up microphones for games and assemblies.

New machines for drafting, tracing, and blueprinting in the drafting department enabled students to create clearer, neater, and more specific designs. With the aid of their student teacher, drafting students got more individual attention, resulting in better blueprints. Students set up special displays for a visitor from the Central Administration of the Board of Education.

Students in OWE and OWA go to class in the morning and work in the afternoon. Both courses stress learning about applications, interviews, work permits, workmen's compensation, labor laws, banking, and insurance in order to maintain a job.

OWE and OWA members began to feel the strain of the recession as their bosses began laying them off as gas attendants, sales clerks, warehousemen, furniture movers, janitorial cleaners, and stockboys.

## Puzzled Students Sit In Corners

American policy toward the American Indian was introduced in an unusual way by Mr. Dennis Dreher to his American History students. For no apparent reason, Mr. Dreher started putting students into the corner of the classroom. Soon he was downgrading them on the way they read or how they tied their shoes.

Finally, the students started to ask questions. They wondered why they were being put in the corner and why they couldn't tie their shoelaces the way they wanted to. Mr. Dreher then explained that American Indians have been treated unfairly in this country and that he was trying to get his students to understand the Indian's situation.

For one week in January, Human Relations students Sheila Kopp, Lisa Brown, Roslyn Cathey, Tina Williams, Ali Adya, and Sue Benner acted as camp counselors for sixth graders at Camp Storer. While learning about natural survival, the kids stayed in cabins, rode horseback, went on hikes, and played in snow.

## Poems And Skits Highlight New Play

"Free To Be You And Me", a play, was produced in the fall by the Advanced Drama class under the direction of Liz Skalski and Katy Croskery. It is a collection of poems and stories. No one actually starred in the play; each person had a poem to recite or a part in a skit. The group traveled to several area schools including McKinley, Longfellow, the Hebrew Academy, and Feilbach.

"'Free To Be You And Me' is a play for both little people and big people," said Gwen Waltz who recited a poem about making housekeeping easier by cleaning together. The purpose of the play was to say that you can be who you are.

What would you take with you to read if you were going to be stranded on a desert island for two years? Mr. Thomas Bollin asked Speech I students to prepare speeches on this topic. Some of the responses included "Gone With The Wind" because of its length, "Better Homes And Gardens" to make living easier, and "Newsweek" to keep up on world events.

## New Tables, Chairs Add To Efficiency

"Champagne Living On A Beer Budget" and "How To Live Cheap But Good" were the titles of the textbooks used in the new Home Economics course "Survival For Liberated Youth". A co-ed class, students learned how to live on their own. Students went apartment hunting, grocery shopping, and furniture buying. Through shopping, they learned how to budget their income and shop wisely by looking for bargains and sales.

New books, a projector, a crock pot, a toaster, a waffle iron, a mixer, a blender, sewing machines, and storage cabinets were among the new utilities provided for the Home Ec department. The department also has enough furnishing to equip and operate a nursery school for pre-schoolers.

## Cross Country, Football,

DeVilbiss Tigers were number 1; three city championship teams proved it.

Cross Country defending the Champ title from the previous year, attributed its win to the confidence and experience of an older team. Coming into the City Championship meet undefeated in the city league added to their confidence. The outstanding runner in that meet was Doug Eble who placed 4th out of 120 runners.

Football also ended their season with a city champ win, preserving last year's title. Leaving St. Johns scoreless throughout the first half, the gridders knocked-up 27 yards. Pounding in 3 touchdowns and a yardage gain of 328 yards Terry Crosby lead the Tigers in scoring. Lynn Dillard chalked up an additional two touchdowns; Farley Bell followed with a touchdown and a safety. Terry Crosby received the honor of the most valuable player.

Bowlers winning the City league by a margin of nine games, cited attitudes of the team as their main success factor. "With a season beginning in October and not ending until March you've got to keep a positive outlook, and take each game one at a time," commented Jack Smith. Highlighting the season for the bowlers, was a 12 game winning streak which extended well into the month of January.

Confidence, pride and dedicateu athletes make the key to a city champ season, summed up head coach Dale Pittman. Although the loss against Sandusky ruined our chances in State tournament, our gridders, bound and determined to make DHS a city champ twice in a row, met their goal. Breezing through the Rogers game with a 47 point victory gave the team **Confidence.** Beating Scott for the first time since '68 gave them **Pride.** Sticking out the hot summer days as well as 3 hour practices four times a week during their season, proved their Dedication.

Highlighting the regular season play was the close win against Scott. Coming out of a 13-7 deficit in the 4th period, Terry Crosby ran in a 40 yard touchdown. Steve Murry followed by tackling a Scott quarterback to close out the scoring.

#### Freshmen Try Harder

"We're good because we have alot of good guys and work as a team," stated Linebacker Danny Kay. Potential was used to the best advantage on the field and enthusiasm was up and quitters were down. Games were won for a change, and the losing scores were close was the opinion of head coach Dave Roberts.

No matter how you put it together, our Frosh spell improvement. They have been the first team in nine years to win more games than they lost.

The most exciting game was played against Central, with one touchdown scored by Charles Hillary in the last two minutes of the game, leaving the score at a 6-0 victory for our Frosh Griders.

#### Reserves Lack Wins

Lack of interest caused a group of 27 J.V. players to dwindle to 18. First year coach, Tom Vincent, blamed attitudes for the problem. "There were some people who could the proposition of J.V. who sat on the bench for Varsity. The boys have to realize themselves, and their potential."

Despite diminished interest, individual members care about the game, even though they didn't win. The almost scoreless season finished with only one touchdown made by Mike Grimes against Scott.

#### in City Meet

Nearing the last hill, Doug Eble leads a pack of runners in the District Meet.

Capturing the City Championship for the second year in a row, the harriers stomped over all opponents, scoring 45 points. The runners also won the sectional, and qualified for the State Meet in Columbus. Finishing thirteenth at the State Meet was a disappointment.

Starting in June, they had begun a long, tedious running schedule. In August they went to run in the mountains of Pennsylvania for a week. Running between 20 and 25 miles a day, the team experienced one of the hardest weeks of their running careers. When they returned to the course in September, they were by far the best conditioned team in the City League.

Co-Captain Doug Eble and the first junior co-captain, Mark Lohman, provided good leadership during the summer and throughout the season. Other runners who strengthened the team were juniors Stu Davis, Ron Grant, Jeff Raggon, and Rick Thielen. Sophomore Edson Whipple also helped in the scoring.

Next season looks excellent for the runners as 12 out of 13 runners return to run the Ottawa Park Course. Since lone senior Doug Eble will be the only person leaving, Coach Tapola is setting his goal high for the future.

## J.V.'s Match Varsity Title

Duplicating the varsity's accomplishments, the junior varsity harriers took their own title in the City Meet. Steve Vandegriff took individual honors as he won the race with a time of 11:04. The four other scorers of the team placed in the top ten as they romped to a decisive victory. The J.V.'s also won the Perrysburg Invitational by placing Edson Whipple, Mike Little, and Steve Vandegriff respectively, in the top three places. Bob Spewiek and Curt Creamer also helped with the victories

Freshman Ricky Grant, also of the J.V. team, set a freshman course record, by running the Ottawa Park circuit in 11:13.

This broke Bruce Tapola's record by eleven seconds. Other new freshmen were Gary Stiebler and Bob Schmidt.

Rolling up a nice record of eight wins and two losses, the golf team proved to be tough against a single team. In the City Meet though, the team lost to some of the teams they had beaten individually.

Big moments of the season were, Jim Manera receiving first team All-City, and Brian Abel getting honorable mention. Jim Manera also picked up the most valuable player award for the year at the annual banquet.

# New Girls Sport Introduced in City

Autumn came, and along with it a new girls varsity sports. Girls tennis was introduced here as a varsity sport for the first time ever. Freezing weather made the first season difficult for the young and inexperienced team.

Freshmen Jenny Davis, and Susan Day highlighted the season with a runner-up finish playing first team doubles in the City Meet. Seniors Barb Bellg, Della Daniel and juniors, Mollie Day and Leslie Strubel added to the strength of their team. Freshman Heidi Huebner looks promising for the future.

Competing for the first time in DHS history, the girls Varsity Power Volleyball team encountered nine other city teams, during a four week season this fall. Fifteen girls, chosen for their abilities to bump, set and spike, made up the team. Despite this handicap, the tiger team placed as high as fourth in the city, giving the first three places to teams which have played together for as many as three years.

Their best match, the team members agree, was their first, against Start.

They won by a large margin in the best out of three games. Later, Start won first place in the city tournament.

Voted by the team, the most valuable player was Barb Worthy, and the most improved was Melodie Ray. Kim Grier made first team all-city, along with Barb Worthy who received an honorable mention.

### Cagers Are Upset

Hilpes of winn in the baskethill fate hampionship fell in, when the Tiger were upset in the district semifinals by Maicontier. However they were minus starting center fairley Bell who had a sprained ankle. The Tigers had beaten Sylvania four days earlier without him to capture the Sectional Championship for the secund year marrow.

The players went through the regular season losing only 3 sames all to top ranked teams. The first loss to Scott was early in the season, just after football season had ended, and 7 players had only a week's practice. The other two losses were to Defiance and undefeated Clay.

Leading the Tigers through the season were All Stater Terry Crosby and All-City Farley Bell Robin Gregory Roy Williams and Ron Lewis were the other starters, with Larry Lewis, Jeff Shinaul, and Shack Worthy filling in sometimes

# J.V.'s Experience Defeat

Sophomore basketball players learned that success doesn't come by reputation. All the same people, except one, had played on the freshman team last year and had a winning season. Just thinking they could win again was not enough as their record dropped considerably.

Coach J. Okenka did see some bright spots, as the team played well in the Defiance and St. Francis games. St. Francis was the biggest win because our team had just lost two starting big men. The other players worked especially hard though, and they came up with a big win.

Team Captains were Ronnie Jones, Bill Schrien and Dale Allen. Dale Allen was said by the coach to be the most improved player from last year.

Freshmen proved that their first experience could be a good one as they had a successful season to start their high school career. Early in the season Coach John Williams stressed teamwork and basic fundamentals. His main objective was to prepare the freshmen players for a possible varsity spot in two or three years. Coach Williams stated, "An overall good attitude was responsible for much of our success." The freshmen also used an aggressive man-to-man defense all year, and this also helped. The captains of the squad were: Ramon Gregory, Ed Kaser, and Randy Morton. It was only their freshman year, but bigger things are in store.

#### GRAPPLERS WRESTLE

Many changes and newcomers to the wrestling scene hampered the grapplers throughout their three month season. Working with only five Varsity comebacks, new coach Mark Contos had to teach the newcomers the basic fundamentals of quick moves and switches. Older wrestlers worked on developing their individual styles as well as some advanced Greco-Roman or upper torso moves

Coming through in the Sylvania Tournament. Bernie Zielinski nabbed 1st place in 185 lbs., along with Craig Bartley, who received the same honor at the Start Tournament in 138 lbs. Mark Keesey topped off the season with a 2nd in 132 lbs. in the City Tournament at Rogers High School.

Changes upcoming include a summer workout program and tentative plans to a visit a wrestling camp during summer.

## Forfeits Doom J.V.'s

Disadvantages shadowed the Reserves throughout their season. Beginning with a predominantly Freshman team, the wrestlers had to learn the required skills.

Winning their first match against Woodward proved their potential individually. Because of an insufficient number of wrestlers on the team, they had to forfeit six team points in five to seven weight classes in the subsequent matches. This caused their downfall.

Highlighting the season was the City Championship tournament at St. Francis High School. Freshman Danny Kay placed 1st in 145 lb. weight class, followed by Rick Turski placing 2nd in 175 lbs., and Frank Piloseno gaining 4th in 155 lbs.

#### Bowlers Lead In City

Concentrating on his form, Terry Sobczak bowls a strike

Every Saturday morning since mid-October, two teams of 5 boys each, the National League and the American League, have been bowling for strikes at Imperial Lanes. Both teams, organized by Mr. John Tishinae, were chosen for individual interest and bowling average.

Leading the city team standing by 6 games, the National League holds a team average of 836 points. Their highest 3 game score in the season was against Rogers 2, winning by a margin of 198 points.

The American League, consisting of underclassmen, ended their season with a standing of 5th place out of 14 teams.

Adding a final touch, Neil Sperling looks to the lanes.

### Girls Chalk Up Wins

Desire and willingness to play good ball, added to the experience of an older team, proved a winning combination over past years.

Starting practice in late November coach Joann Schaal developed the skills of pressing and speed. "We like to cover the whole floor when we play. It keeps our opponents wondering where the ball will be," stated Coach Schaal. Ending the season with 6 wins, the team improved last years record by 2 wins.

Forward Kim Grier was the most valuable scorer. She averaged better than 10 points in every game played.

Teams show friendly sportsmanship after the Start-DeVilbiss game.

Tigers tallied up a frustrating, yet enjoyable baseball season.

Getting hit hard with a loss to Whitmer, 1-9 for their first game, the Tigers came back and won their next game against Perrysberg, 3-2. The showings see-sawed from then on. The season ended with a tournament loss to Sylvania.

The new coach, George Filby, stressed that winning comes from three things: having fun, learning fundamentals, and sharing — I teach you, you teach someone else.

A close relationship existed between player and player and between coach and players. The coach said, "The baseball team had the best of everything."

The team had two new practice machines to work with. A plastic ball machine and a pitching machine. Coach Filby planned to have a summer team which would give the players more experience and baseball knowledge.

#### Golf Switches To Fall

Cold weather early in the spring proved to be the main reason for the change of golf from a spring sport to a fall sport.

The change made dryer and warmer weather for the golfers, so they could have a longer season.

The golfers, losing almost all of their team from graduation, had a poor season, for the first fall experience. Because of the team's finish, Coach M. Paluszak changed the M.V.P. award to the coach's award. This was presented to Mark Glasper who also earned honorable mention, All-City.

#### Dominate Team

**Teammates watch** in awe as Tyrone McSwain reaches out for the pit, to win in the long jump.

Youth took over the track team as sixteen seniors left. Many good individual efforts were there, but lack of depth proved to be the main reason for the drop in the dual meet record.

Good performances were turned in by Bruce Tapola in the mile, Chuck Peyton in the 100 and 200 yard dash, and Steve Irving in the 440. Bruce Tapola and Chuck Peyton shared the most valuable runner award for their leadership of the team and their big contribution to the scoring.

#### Gold Ends Undefeated

After 23 straight wins, the chess team finally faltered. The team did not even make the city play-offs, after winning the title the past two years.

Individually, Mike Gold kept his winning ways by going undefeated this season, with ten wins. His personal streak is 41 straight matches, including the Beach Memorial Chess Tournament, in which fifteen schools were represented. He has received the highest rating ever given out by the City League.

Many of the team's troubles were due to the fact of the many underclassmen on the team. Mike Greenwood, Ted Martin and Keith Wolfing were all freshmen, and Joel Hazard a sophomore. Rounding off the team were juniors Jim Shaw and Dan Patton, and seniors Mike Gold and Bernie Sharfman.

**Concentrating hard,** Jim Shaw gets ready to make his next move on his Start opponent.

#### **Exorcists Take Title**

Intramural basketball was split, for the first time, into two separate leagues. The American League with 6 teams was for freshmen and sophomores, and the National League with 7 teams for juniors and seniors. The games were played every morning except Friday, and they were shortened to fit two games between seven-thirty and eight o'clock. Each team played all other teams, and the team with the best record in each league was declared the winner. In the younger league, a team called the Sophomores also went undefeated to win their league.

The Exorcists were composed of John Sellars, Tim Rocker, Alfred Brown, Nino Miracola, George West, Rodney Buchanan and Bo West. In late spring seniors from this team and some other chosen ones played the staff in the annual-student-faculty game.

#### ADMINISTRATORS

Progress was made in the development of a program for the talented and gifted students in the city schools. Curriculum studies have been initiated in science, American government, history, home economics, and industrial arts. A committee of teachers met to choose new textbooks for German. The second annual Marching Band Festival was held at Glass Bowl Stadium on October 6th. Each school is now operating on its own building budget. A general belt tightening began, due to the serious financial situation of the schools.

# CHORUS EXHIBITS TALENT

New horizons have opened up for faculty members with the formation of a faculty chorus. "I've always wanted to have a faculty chorus for a fun and relaxing time," explained Mr. R. Baggs, director of the singing group. Approximately twelve people joined the chorus. Featured songs include The Fight Song, cheery songs, and rounds and canons. Their singing debut highlighted the January faculty meeting.

New desks and filing cabinets greeted some teachers as they returned to school. Fresh paint and lowered ceilings provided a better teaching atmosphere. #### OPINIONS REVEALED

"What do you like the best about DeVilbiss?", was the question posed to many teachers. Most had one answer in common; the students. Many teachers expressed the fact that the students keep them where they're teaching. Close friendships have developed among faculty members, also. Several faculty members participate together in activities outside school. Other good points mentioned included relationships between administrators and faculty. Mr. R. Martin stated, "I'd rather be at DeVilbiss than at any other school in the city."

## TECHNOLOGY INVADES SCHOOL CAFETERIA

 "Is this a pizza or maybe a hamburger stand?", wondered TADS as they entered the cafeteria on the first day of school. Gone was the snack bar. In its place stood eleven vending machines covered by an attractive roof of wooden shingles. For 15 c a TAD could get soda pop, ice cream or candy. Most sandwiches were 35¢. Milk as usual was  $5\,c$ . Students left the area via turnstiles. The machine age brought both helps and headaches to cafeteria workers. Besides filling the machines every day, workers also had to assist students in retrieving sandwiches from stuck machines, and providing change for those who needed it.

Senior court open! That was the good news the class officers reported to their fellow seniors after a meeting with Mr. K. Morris the week after school started. The promise made to open and keep the court open was that the seniors would set a good example to the underclassmen by keeping the school clean.

Many seniors tackled the job of building a float for homecoming. The theme for the float and the dance was the same: "Rainbows all around us." After slaving over the float for a week, after school until late at night, they finally finished it the night before the homecoming game.

Nice weather brings Jack Kummerow and Sharon Langenderfer into senior court for a McDonald's lunch on its opening day in September.

services instead of regular two or four year colleges. Interest is as good or better than last year. According to Mr. J. Sodd, the probable reasons are: the high cost of college, no draft pressure and you get trained for exactly what you want to do. Boys aren't the only ones considering the armed services, a lot of girls are too.

The PSAT test proved profitable for Linda Basso, Joel Kelson and Nancy Wolfing. These seniors earned high honors for their scores on the test taken last year. They received a letter of commendation and many offers from colleges across the country.

#### OFFERS VARIETY

A modern dance to "Angie" is Cheryl Whitner's talent in the Talent Show.

Senior Class Talent Show took place on February 7th. Angie Hamilton and Charles McCreary lead the action behind the scenes which, with rehearsals and try-outs lasted almost two months. This year, unlike the year before, the cast was not completely black, although they did make up the majority of the show. The show itself lasted from 12:30 until after 4:00. A 75c ticket was needed for admission with the proceeds going to the senior class treasury. The winners were; individually: Carla and Dawn Talley, and group: Black Vibrations.

### LEADERSHIP, MATURITY,

# Senidrs Show

Keeping their promise, seniors proved their maturity and set the example of clearing their tables in the cafeteria all year. They showed leadership in student government acitivities. Most club officers were seniors. The editors of Prism and Pot O' Gold, both seniors, guided their staffs to the production of especially fine publications. Senior proved they were responsible by leading the school and setting a good example to underclassmen.

#### McDONALDS IS

Where did all the seniors go after football and basketball games, or any school function? If you wanted to find someone, where did you always look first? Where was the #1 hang-out for seniors? The answer to all these questions is McDonalds. McDonalds was the place they always went first, then decided what they were going to do the rest of the night. The seniors might have a party, go ice skating or roller skating, or maybe just cruise.

#### HOW DO YOU FEEL ABOUT

Don Brenneman: It wasn't too bad at the beginning, but now, getting down to the end of the year, it's getting boring. Our student body is good and so are our athletes but our cooperation is not too good. It could be better. Doug Eble: I've had a good time but I could've done the same in three years instead of four. Jeff Shinual: The beginning of my senior year was very nice. I enjoyed playing basketball, which showed me what I was going to do when I graduated. But now the year is a drag and I'm looking forward to college or something else next year. Nancy Wolfing: I think this year I took school seriously, as a place to learn, not one big extracurricular activity. Over the past four years, many things have changed for the better, but on the other hand, I find DeVilbiss has put sports in front of learning in its priorities. I feel this has alienated many of the students who seriously want to learn something, not just have fun. Bruce Duerringer: I think it was fun but a kind of waste of time. Cheri Wendt: My freshman year I thought this school was the greatest. But with each year I've seen it go downhill, as student responsibility becomes less and apathy increases. With every year it gets harder for a serious student to get anything out of school. I'm really looking forward to my independence. Jack Smith: The best year of all for me. Candy McCain: My senior year has been and still is an unforgettable experience; an experience which has increased my knowledge greatly. Jim Wieland: My senior year was fair to middling. I went to all the football and basketball games and had a good time cheering the tigers on. But the rest of my senior year was dull and boring. Jeff Fitch: My senior year is better than the other years. People start treating you like adults. More is expected of you during your senior year and you are considered to be a leader or an example to the rest of the student body. If I had my Senior year to do over again. I wouldn't do it any other way. Mary Sue Hubbard: My senior year has been the best of the four here. Many times the last years mean you can slack off on work. Not true. Especially if you're planning on going to college. It can be a lot of work, but it's also been a great learning process and many good times. There will be many great memories of my senior year to pass on and people who will be friends for a long time. Debbie L. Smith: My senior year was a great year. The year of '75 will always be remembered.

#### BIG SHOW DAMAGES COURT

Fourteen inches of snow hit Toledo on December first. The snow brought a lot of damage to many places including senior court. All the trees were broken and had to be cut down. Mr. R. Martin, with the aid of Mr. D. Pittman took on the job of cutting them down, sawing them into logs and finally clearing them from the court. This wasn't as easy as it seems. Many days the temperature was below freezing.

As their class memorial, the seniors decided to donate trees to the senior court to be planted in the spring.

## VD HETS \$120

Bopping and rolling to the music of the 50's thrilled many students at Varsity Drag on February 28th in the cafeteria. Disc-jockeys, Doug Eble and Bruce Duerringer, announced the songs and accepted requests from guys and girls to their sweethearts. This was the one opportunity a year to do the twist, mashed potatoes, jitterbug and other famous dances practiced by students' parents before they were even thought of.

Skits on the morning announcements helped to make the turn-out better than expected. Profits from the dance went to the senior class treasury for prom.

#### SENIORS EXHIBIT HIGH

Leading all classes in the new spirit section at basketball games, seniors even gave a hard time to the cheerleaders. They started cheers before the cheerleaders and also made-up a few of their own. Having a special cheering section increased everybody's spirit and participation.

Loyalty, or maybe just the urge to get out of town, even showed itself at away games. Many seniors traveled to Sandusky, Dayton, Youngstown and Defiance to encourage the Tigers towards a victory.

#### PROM '74: WHAT A NIGHT!

Prom '74 returned this year to the Masonic Great Hall, after last year being held at Olander Park. Many seniors took off from school on May tenth, the day of Prom, in order to get ready for the night to come. For many, to start the evening there was dinner at a nice restaurant. Then after that the dance, then home for a quick change before going to Imperial Lanes to bowl a couple games. Even later, maybe a party at a friend's house, and exhausted, home, no earlier that 5:00 A,M.

After different members of the senior class viewed them, the officers and Mr. C. Ellis decided to have white gowns for the girls, black gowns for the boys, with both having orange and black tassels.

### JUN

Homecoming pushed class officers into action. Making the Homecoming float their first project, dedicated workers sacrificed their evenings after school every day, for one week in order to get the float completed. It took a marathon at Cheryl Whitner's house the night before the parade to add finishing touches.

On the day of the parade the float survived several crucial breakdowns, but with the aid of parents and students, the float made it to the stadium. The class of '76 watched enthusiastically as it carried their theme: "Kick the stitches out of Cardinal Stritches britches!"

Losing first place by only one vote the float came in second place winning a prize of \$10.00. But as Jim Curphey, the class treasurer put it, "We will win next year because we will start earlier and have more experience."

Because 90 Juniors failed to have their pictures taken for the yearbook, Kathy Shafer, junior class editor, asked several, "Why?" Bill Wagner replied "Because I don't like to have my picture taken." Many others felt the same way. Dino Moreno put it this way: "Just didn't feel like having my picture taken. I didn't want my picture in the yearbook."

Out of 347 class members, almost onefourth neglected to have their pictures taken. Therefore the junior section was shortened considerably.

#### crunchies create confusion

Seventy-sixers planned various activities to keep their treasury booming. A bake sale which consisted of rice krispies crunch and popcorn balls raised \$40.00 in two days. This was an excellent amount for a bake sale!

Orange and white pom-poms floated through the gym during basketball season. Selling these was another means of earning more money.

# SOPHOMORES

Broad involvement by all sophomores was the goal set at the beginning of the year. Sophomores met this goal by participating enthusiastically in games, meets, committees and clubs. Outside activities included parties, movies and eating out.

### SOPHO

Enthusiasm marked the activities of the sophomore class as they set a goal of \$1500 for the treasury in their senior year. Activities began early in the year after members of the class elected their officers in September. With the help of class advisors, Dennis Dreher and Sue Gibson, officers planned and carried out a successful sale of T-shirts, bearing the Tiger mascot. Profits resulted in a boost of almost \$100 in the treasury. After a long wait, T-shirts arrived following Christmas vacation.

Officers, with the help of the sophomore class body, continued to plan activities for the winter and spring months to reach their goal. Bakesales, carwashes and other activities lifted their treasury, but all profits fell short of the \$800 proposed as the goal for the end of the sophomore year.

#### Enthusiasm, Snow Add To Fun

SNOW — the Big Snow of -74- meant 3 days of vacation. Ottawa Park was where the action was. Skating, tobogganning, and snowball fights were a few of the ways enthusiasm and snow added up to loads of fun.

The snow days, the most in at least 15 years were not all play, however. Some kids seized the opportunity to put money in their pockets by shoveling snow.

When the snow finally melted, activities such as jogging, bicycling, basketball and tag football became part of every sophomore's day. The weekends found many attending games, meets, parties and, of course, McDonalds.

#### Class of '77 Find New Ways For The Best!

Ranking quite high, was a distinction of the sophomore class, in their first participation in P.S.A.T.s, given by the College Entrance Examination Board and the National Merit Scholarship Corporation.

More sophomores included Drivers Ed. in their schedules than last years sophomores. The reason being, that many turned 16 in the later months of -74- and were able to participate in the program. Many more, therefore, drove, decreasing the number of underclassmen riding buses.

#### **Sophomores Reach**

Due to the unbeatable work force of class officers, class advisers, Mr. D. Dreher and Miss S. Gibson and all sophomores, the class was successful in completing many of their goals. With the profits of the T-shirt sale, the first goal, some money in the treasury, was met. In January part of the T-shirt money went to renting a feature-length horror movie, entitled, "Tales From The Cript." Profits were deposited in the treasury along with the proceeds from bakesales and carwashes held in the spring. All money was set aside for their senior trip.

All profits fell short of the proposed \$800, but sophomores were positive that next year there would be more money raising projects to reach their goal of \$1500 in their senior treasury.

Energy Crisis? Not as far as some sophomores were concerned! Being older than sophomores were formerly, many had driver's licenses, especially the second semester. Oh joy! What did it matter that gas cost as much as  $60\,c$  per gallon at Sohio? (Everybody hunted for a station where the price was cheaper) Many could drive to parties, concerts, and games. Pranks were more fun with a car.

Sophomore gleefully joined the caravans to Sandusky. Dayton and Defiance and blared their horns with those of upperclassmen. Despite the energy crisis, all sophomores agreed that even if there was an energy crisis, it wasn't about to stop them from their fun and frolics.

#### Movie Makes Big Profit

Profits of close to \$400 resulted from the showing of "Tales From The Cript", a feature length horror movie. The movie was chosen after a questionaire was given to all sophomores and a few upperclassmen before Christmas vacation. Another movie considered was "Play Misty For Me". The movie was shown January 31st during 2nd and 3rd hours, with tickets costing 75c.

Sophomore Gary Scheer said, "I enjoyed the movie. It was a great movie!", and an upperclassman found it "was interesting, entertaining and a lot of fun." While others found the movie to be less entertaining, such as Brett Leonard who thought, "It was obviously an amaturish effort to throw a little blood on the screen!"

The year ended for all sophomores with a trip, a carwash and a bakesale.

Several incoming freshmen desired to follow in their brother's and sister's footsteps. Some practiced hard to enter sports and succeeded. Ricky Grant, (Ron's brother) recorded a second best all freshman record in the two mile run. Sue Day, (Molly's sister) and Jenny Davis placed second team all-city in tennis. Ed Mezardjian, (Mimi's brother) made freshman choir and also freshman football and basketball. Danny Kay, (John's brother) wrestled Varsity. Linda Green, (Carol's sister) was active in dramatics and the Kazoo band.

Spirit was an important part of the year, which led the tigers on to many victories. "You can't help but notice the tigers" quoted Chris Flores as she expressed this year's theme "A mighty roar is hard to ignore, the DeVilbiss Tigers are back for more."

#### First Day Brings Timid

Wow! This place is so big I need a map to find my way around! I know I'll get lost. I even forgot where my locker is! Speaking of lockers, I like them a lot better than the cloakrooms at grade school.

These people look so big, kind of scarry looking! Yeah I know what you mean. Did you think there was a freshmen dance this year? One senior tried to sell me a ticket but my sister told me there wasn't any. Well a senior tried to tell me that there was a swimming pool on the third floor, but I know all the tricks!

That class wasn't so bad, at least I know a couple of people. I hope I get to meet different people though.

Hey gym class is kind of fun but I sure do hate those gym suits! How ugly!

Lunch time — I sure do have the munchies! I really do like these vending machines. New this year, huh? That hamburg was too dry, but I love the cookies!

I can't wait until the 1st football game. High school ball is so exciting! Especially the band!

Hey, do you have much homework? No. do you? I do, but it'll be fun. I have to write what my opinion of my 1st day at D.H.S. was. All I have to say is - Great! I love it!

Orientation day is a time for meeting new friends, and reminiscing with old.

### Enthusiasm Sparks Interest In Music

With 86 signing up for band and choir as a part of their daily schedule, it was apparent that many members of the freshmen class were sparked by music.

Freshmen Leslie Roka had the high honor of being accepted in the city-wide youth orchestra. This is an honor very few freshmen attain. He plays the violin.

For the band members, it was a new experience to fire up enthusiasm at pep assemblies, and to march in formation at football games. Some also played in the pep band at basketball games.

Willing frosh sacrificed an extra hour's sleep as they sang in the freshmen choir first hour. They also had the privilege of singing at the Christmas concert at Monroe St. Methodist Church.

#### Voice Opinions

"What do you like about D.H.S.?" Denise Brigman, freshman editor asked of many freshmen. Teachers was one of the topics many students had opinions about. When asked if she could communicate with her teachers, one student replied, "Yes, teachers here at DeVilbiss understand when I have problems." Another one replied, "Yes, my teachers make their subjects interesting." A third said, "My teacher doesn't grade fairly."

Sickle Cell Anemia was another topic discussed among many. The first assembly of the year for the freshmen was given to inform the students of the symptoms, and dangers of Sickle Cell Anemia.

Only eleven showed up for the testing, though, due to lack of interest.

#### Without A Bit Of Horseplay?

Horseplay breaks up the monotony of every school day. Hanging around in the halls after school was an all-time favorite, in hopes that no one would look when you ran across the senior court or took a quick glance at the "Varsity" locker room. Or what about the times when you decorated your best friend's locker on his birthday? Maybe you added your bit to the sayings on the graffiti board. How about the many snowball fights inside and outside the classroom after the "big snow" of the year? Even the all-time favorite pulled by many of the frosh: Changing names with your best friend, in hopes of confusing the substitute teacher to make the work easier on yourself. Yes, even on the gloomiest days a little trouble can bring a smile to almost anyone. As the saying goes "Wouldn't ya know, that's a frosh for ya!"

#### Club Social Life Heenly Interests Frosh

Social, special interest and literary clubs gained many new members as freshmen were inducted in February. Because this year more than ever club membership had decreased, freshmen were welcomed. In answer to the question "Why did you join a club," most frosh replied that they just wanted to make new friends. Jeanette Amid wanted to become more involved with school activities. "I wanted something that broke the usual routine of the day, something exciting in my life!" spoke Carrie Stone. Mike Stewart, Hi-Y member earnestly spoke, "I like to play some good basketball and swim at the Y. It's really a good deal. We have a lot of fun."

## Pot Luck, Dinner Opens Activities

With dances and songs the new members entertained the seniors at formal inductions in November. The following week they held their first meeting to elect the club officers. A pot luck dinner was an early activity for the members to get together and start planning projects. During Christmas vacation on a Sunday afternoon they went ice skating at Ottawa Park Skating Rink.

Jr. Sorelles decided to promote the girls basketball team by attending some of the games and putting up a few signs. Before one game the club met for dinner at Jo-Jo's for pizza.

In April the girls planned to attend a performance of the Toledo Youth Orchestra since two of the members, Laurie Richards and Lezlie Struble are in this musical organization. They held the usual bakesales, and sold carnations for St. Patrick's Day to earn enough money to treat Sr. Sorelles to breakfast.

The seniors began the year by working in the concession stand for a few football games. After that they had a caramel apple sale at the Scott game which made \$24.

Sr. Sorelles supported the baseball team with various signs and cheering at the games. A few members even painted the back stop of the baseball diamond.

Sr. Sorelles and the honorary members enjoyed inducting the Juniors at Formal Inductions at the home of Cheryl Saba.

In the spring, members packed into cars and had one big date to the Drive-In.

**Sue Benner and Cheryl Saba** show their spirit for the baseball team by making a sign.

## Jobs Curtail Activities

Selling popcorn balls and homecoming mums made OA \$28 richer. Members planned to have a skating party but scheduling problems caused them to cancel. Plans were made to redecorate the nurses' room by hanging new curtains and painting the walls. Redecorating had to be put off, however, as members were busy with individual work schedules and could not redecorate the room outside of school time.

Working OA members are scattered all over the city at such places as Lion Store, McDonalds, Ponderosa, Frisch's, Mr. Donut, and secretarial jobs.

OA inducted 11 new members and threefourths of the club graduated, having the biggest Senior Banquet ever.

Good money making projects allowed the German Club to engage in more activities.

They began in the summer with two carwashes. On Oct. 13th the club held their third annual egg sale. Members scoured neighborhoods asking for eggs and then selling the very same egg at the next house. This profited the club with \$75.

Holding a bakesale at the Lucas County State Bank kept members busy and rich, earning over \$34.

Popcorn and candy apple sales, and selling programs at the International Festival added to the treasury for the German Club ski trip. The trip took place at Boyne Mountain Jan. 3rd through 5th. The members skied and skated, and realized that all the money making projects were worth the time and effort.

Surrounded by customers Charlie Sheets lists off the prices of the German foods.

## Club Grows, Things Happen,

Hi-Y started off the year with a splash by having two swim parties at the YMCA. The club also held their meetings every other Wednesday at the Y.

Since the seniors didn't take any juniors as new members last year, the club consisted of mostly juniors until second semester.

A bakesale in which all members participated, raised \$10, not including all the money members owed for eating the food.

Their biggest event was the convention in Columbus. Hi-Y and other Y clubs came from all over the nation to form a huge convention. They called themselves Junior Youth and Government. The clubs hoped to pass new laws and bills which would benefit everyone everywhere.

Hi-Y: Front Row: Treas., Stuart Davis: Pres., Bob Begley: Sgt. of Arms. John Stewart. Second Row: John Coleman, Steve Schapp. Greg Brigman, Larry Feldstein. Tripled membership after first semester, following a doubled membership increase in the fall, caused president Terry Fox to say, "It was a very popular increase."

Spending a day and a few hours a week at St. Anthony's Villa, volunteer work, contributing for Multiple Sclerosis and making signs for keeping the halls and cafeteria clean kept I-da-ka'members busy.

Money-making projects were bake sales at Sear's, and an ice-skating party on the last day of Christmas vacation. Half of the money earned went for disaster boxes for the Red Cross. Members packed the boxes full with washcloths, toothbrushes, toothpaste, soap, and other toiletries. The other half of I-da-ka's profits went to St. Anthony's Villa to buy special equipment for talented children interested in music, sewing, and other fields.

Passing Out Christmas favors to each teacher keeps Kathy Lichon occupied.

### Campus Life Returns

After being away from school a year, Campus Life became active again. On the third Tuesday of every month the city wide Campus Lifes got together for roller skating, 7:30 to 10:00 P.M. at Fun Spot. On February 8th all Campus Life clubs in the area took a trip to Echo Valley for tobagganing. The bus left Westgate Chapel at 7:30 A.M. for a cold, but exciting day.

Different Campus Life clubs in the city competed against each other every Friday night during January, February and March at Springfield Junior High's gymnasium. This friendly competition was known as Teen Olympics. The sports were basketball, billiards, volleyball, weightlifting, ping-pong, bowling, and swimming.

On Club Day, Esther Taber and Norma Emery are pleased to see Linda Ethington sign up for the club.

## Drama Goes To Grade Schools

"Which Witch is Which" and "Free to be You and Me" were two productions given by Thespians for various grade schools. Some drama students assisted them.

The majority of participants in school productions are members of Thespians. Members composed the cast of "Dairy of Anne Frank", a stright play presented in March. Thespians built the set for this play, as they do for most plays. The Stage Fund supports all Thespian's productions.

On Halloween, Thespian members take movies of Mary Conrad

### DECA Takes Inventory

Distributive Education Clubs of America (DECA) is a special interest club for seniors only. Members must be in Distributive Education classes.

DeVilbiss DECA students backed up Bernadine Buchanan when she ran for Vice President All-City. They put on a skit, "Yes We Can Can" to support her.

Taking inventory of stock at Hudson's was a different approach to earning money.

Denise Brigman after spending the day on Hosiery declared "I never want to see another sock again!" Members of DECA ate breakfast at 5 a.m. before punching in at six. Each member earned between 5 and 10 dollars. Other money making projects were a record hop, making a profit of 15 dollars, and doughnut sales on Fridays.

During Christmas, members exchanged gifts at Frisch's Big Boy.

After cleaning up the DECA store, Bernadine Buchanan and Rick Dullinski dress the manikin.

## Balloons Bring Money

For Miracle Mile's 19th anniversary Peries members voluntered to blow up and pass out balloons. Wednesday October 2nd, members took off school and worked until 12 o'clock at night blowing up 1,000 balloons. Thursday the girls passed out balloons at the Ohio Lottery Drawing. Both Friday and Saturday members worked again. For all of Peries' hard work, Miracle Mile donated \$100 to the club.

At the Peries Christmas party, members brought canned foods and arranged them into a Christmas basket to give to a needy family. After exchanging gifts members gathered around for some hot chocolate and doughnuts.

A different activity for Peries was a card party in February. Some of the games were hearts, euchre, blackjack and crazy eights.

Some service projects for the school were cleaning up the student parking lot and painting parking lines and numbers.

During Miracle Mile's celebration week, Laurie Thompson passes out balloons.

## Pay's Projects Pull Through.

**Bean bags** made by Pay-a-el-sa to be donated to children are fun for Carmen Tutelian, Leslie Skaff, and Beth Gunther.

Surging ahead, Pay-a-el-sa members devoted much time to organized activities. Before the cold weather closed in, members cleaned up the student parking lot, ran the concession stand at football games, supported the cross country team with hot and cold drinks, and promoted the March of Dimes Walkathon in October.

Signs welcoming frosh, refreshments for Open House, Homecoming and making bean bags for welfare children kept Pay members involved. Old clothes and Christmas baskets were donated. Members took it easy after their Christmas projects by having a Christmas party with caroling afterward.

Saving paper and glass, making a homecoming float, and placing smoking cans for cigarette butts outside were special projects done for the school.

## Juniors Enter Regional Competition

Volunteer work for the school office kept I.O.E. members quite busy. The girls sorted and filed both grade cards and semester schedule cards. Because they typed part of the basketball programs and sold both football and basketball programs, the club received part of the profits. Other money making projects were bagging popcorn and a bakesale.

For the first time, some I.O.E. members entered regional competition. Three of the members went to Archbold, Ohio. Vicki Lautz competed in shorthand. Val Tobian and Faye Petros in talent. The club treasury paid for their lunches.

Hard work brought a third place for the I.O.E. float. Girls made most of the flowers at home, but constructed the float at school.

For a break, members planned to eat lunch at Farrells after their Fun Ad was taken.

All vocational classes had a roller skating party at Skateland in February.

Adding crepe paper and glue Jill Kossow and Sally Lamarand complete the I.O.E. Homecoming float, which placed 3rd in float competition.

Facts and figures demands full concentration from Darnetta Free man.

I.O.E.: Front Row: Rec. Sec., Jeannette Janowski; Corr. Sec., Darnetta Freeman; Pres., Vicky Lautz; Treas., Anita Winkler; Adv., Miss Clark. Second Row: Debbie Sears, Pasty Riggs, Sue Kline, Maggie Wagner. Third Row: Val Tobian, Faye Petros, Jill Kossow, Margie Pietras. Back Row: Debbie Lutife, Julie Robertson, Julie Gorr, Kris Shepard, Debbie Jachimiak.

Arsenal Soccer: Front Row: Marty Hedler, Robert Alexander, Greg Hudkins, Roger Brown, Philip Wood, Peter Kramp. Second Row: Mike Hill, Mike Gold, Mark Eriksen, Dave Meyers, Club Mother: Barb Schueler. Third Row: Joel Hazard, Cap., Noel Hazard, Chris O'Donnell, Scott Reynolds. Back Row: Peter Pickering, Steve Krueger, Jeff O'Donnell, Rick Bloomfield, Dave Willer.

Right: Bursting with energy, Rick Bloomfield prepares to kick the ball.

**Above:** Determined members, Angie Horen, Sharon Langenderfer, Brenda Schneider and Jayne Hixenbaugh concentrate on making a good float.

# Arsenal Wins City

Even though there were three broken legs, Arsenal Soccer held a perfect score of 11-0 and became city champs. The team practiced at Old Orchard playing field and most games were held at Rogers High School. The team hasn't found a sponser at DeVilbiss, therefore remains a club. Their coach is Denny Kale, a student at Toledo University.

Arsenal Soccer has yellow and blue uniforms that cost them each \$5. The team lost four members but hope they will be City Champions again this year.

## Three In a Row

Patty Gallagher won first place in accounting competition of region 6 at a leadership conference held in Lima. She was the first student from DeVilbiss to achieve this honor. Roxanne Robertson and Patty Gallagher were the delegates representing DeVilbiss at another conference in Bowling Green.

Successful money-raising projects were the raffling of a digital clock radio and the sale of coupon books.

Fun activities included going out to breakfast frequently, and holding the annual employer-employee banquet at the end of the year.

C.O.E. put together another winning float, which brought 3 wins in a row.

C.O.E.: Front Row: Rec. Sec., Jayne Hixenbaugh; V. Pres., Lori Anderson; Pres., Roxanne Robertson; Treas., Pat Gallagher; Corr. Sec., Sandra Riggs. Second Row: Adv., Mr. Galyas, Judy Babjack, Bonnie Muszynski, Brenda Schneider, Patti Hazlett. Third Row: Tammie Dale, Barb Shindel, Angie Horen, Cherie Weber. Back Row: Joan Schaefer, Stella Knickerbocker, Katie Kennedy, Sharon Langenderfer, Tina Kovacik, Mary Jo Zdybek.
